LEGAL REFERENCES

The statutes relating to the operations of the State Board of Food Distributors are, for the most part, contained in the Revised Codes of Montana, 1947.

Sections 27-301 through 27-316 R.C.M., 1947 deal with the creation and duties of the Montana State Board of Food Distributors.

Section 70-201 R.C.M., 1947 provides that the Montana State Board of Food Distributors is, ex officio, the Montana Trade Commission.

Sections 51-101 through 51-118 R.C.M., 1947 contain the provisions of the Unfair Practises Act and provides that the Montana Trade Commission shall administer the same.

PRINCIPAL GOALS

The Objectives of the State Board of Food Distributors, ex-officio Montana Trade Commission is to insure fair competition within the State. This Board arbitrated complaints within the wholesale and retail food industries, using a Cost Survey system, to insure fair and competitive prices. Our field of responsibility extends to all other industries and services, such as gasoline sales and sand and gravel sales, with the same objective: To insure fair competition.

MAJOR ACCOMPLISHMENTS

During the 1969-70 Fiscal year, a total of 4,916 Licenses were issued to business establishments where food is sold. This figure is nearly the same as the 1968-69 Fiscal year, even though over 150 businesses have gone out of business this past year. We are able to maintain the number of licenses issued due to Mr. Rice's efforts in obtaining the names and addresses of newly operating businesses and the subsequent sale of Food Distributors Licenses to these new food distributing agencies.

Following is a list of the number of licenses we issued according to counties.

MAJOR RECOMMENDATIONS

Though complaints are handled in various industries operating in Montana the monies which fund this program are derived solely from the sale of Food Distributors' licenses within the Food Industry. It is our recommendation that the report by the Governor's Reorganization Committee be studied with the view of correcting this situation.

ANALYSIS OF PROGRAMS

Program: Licensing

Service Provided:

By the purchase of the Food Distributors License, businesses are assured of protection by the Montana Trade Commission under the Unfair Practises Act.

Objectives:

This Board investigates any complaint filed with the Montana Trade Commission against wholesale and retail businesses selling below cost, as established by the commission's Cost Survey.

Target Groups:

All businessmen operating at wholesale or retail within the state of Montana may file complaints with the Trade Commission for investigation and prosecution, if they prove valid. Complaints have been processed in the gasoline industry, food industry, sand and gravel industry and television industry, to name a few.

Achievements:

In the 1969-70 fiscal year this Board licenses 4,916 of the approximately 5,000 food dispensing establishments in the State.

We have investigated complaints in the motor oil sales (Missoula); bakery industry (Kalispell); retail sugar sales (Billings); sales of meat (Missoula); which were referred to the Commission.
